

# DONATE TO FACES & VOICES OF RECOVERY...

*and help bring the power and proof of long-term recovery from addiction to alcohol and other drugs to everyone in America. Join the fight and help us keep our organization strong and growing - our collective strength will ensure our success!*

We are committed to organizing and mobilizing the millions of Americans in long-term recovery from addiction to alcohol and other drugs, our families, friends and allies to speak with one voice. We are dedicated to changing public perceptions of recovery.

Together, we are promoting effective public policy that will end discrimination. Recovery and raising our voices demonstrates that recovery is a reality and is making life better for millions of Americans. We will be pleased to add your face and voice to our campaign!
