The 18th annual *National Alcohol and Drug Addiction Recovery Month (Recovery Month)* will be held in September 2007.

This year's *Recovery Month* theme is "*Join the Voices for Recovery: Saving Lives, Saving Dollars.*"

The celebration will recognize the positive impact of investing in treatment and recovery on individuals, families, and the community.

September is the month set aside to help communities nationwide:

- Celebrate individuals in recovery and the treatment professionals who have helped them reclaim their lives
- Highlight the societal and personal cost benefits of substance abuse disorder treatment and recovery
- Educate the public and community leaders that substance abuse disorders are a treatable health problem
